- 1) To be clear, if SG adopts this resolution, does it mean only that SG will be added to the list of its sponsors, and that if it is not adopted in this vote, it will still be submitted with the students names at the bottom?
- 2) Graduated students cannot cast an official vote, unfortunately (sorry!). The rising 2Ls and 3Ls who served on SG during 2011-2012 are still officially elected representatives until the end of this month, so as long as there is a majority vote among these students, the resolution will be adopted.
- 3) I vote: fuck yes!

Assuming Kunal is voting yes, that brings us to 4 yesses, out of 14 possible votes. I think we need 8, right?

I vote yes, also. I like that the resolution ends on a positive note by saying that we believe the admin will do the right thing.

I've shared Resolution to Permit Krzysztof Wendland to Take the July 2012 Bar Exam

Message from kunal.sharma111@gmail.com:

Hello SG,

I am asking all of you to vote to adopt this now proposed resolution. Its purpose is to persuade the CUNY Law administration to waive the application of an academic standing policy in the case of Krzysztof Wendland so that he may graduate and sit for the July 2012 bar exam. Please take time to read this Google Document and vote via email. If we are going to adopt and submit this resolution, we must do so before Friday, July 22.

I may circulate this document through student listservs as a petition as well, so you may see student signatures on the bottom of the Google Document.

Please also correct any procedural or format errors in the resolution, though I believe the format is correct. Thank you so much for your help.
